

Yearly Status Report - 2019-2020

Part A

Data of the Institution

Part A	
Data of the Institution	
1. Name of the Institution	ULUBERIA COLLEGE
Name of the head of the Institution	Dr. Debashis Pal
Designation	Principal
Does the Institution function from own campus	Yes
Phone no/Alternate Phone no.	03326610332
Mobile no.	9830885918
Registered Email	uliberia_college@rediffmail.com
Alternate Email	debashispal60@yahoo.com
Address	Po: Uluberia, Dist: Howrah, PIN:711315, West Bengal.
City/Town	Uluberia
State/UT	West Bengal
Pincode	711315

2. Institutional Status	
Affiliated / Constituent	Affiliated
Type of Institution	Co-education
Location	Semi-urban
Financial Status	state
Name of the IQAC co-ordinator/Director	Dr. Aditi Bhattacharya
Phone no/Alternate Phone no.	03326610332
Mobile no.	9830656487
Registered Email	aditi_phil@yahoo.co.in
Alternate Email	iqac.uluberia@gmail.com

3. Website Address	
Web-link of the AQAR: (Previous Academic Year)	https://www.uluberiacollege.in/uploads/1624530275.pdf
4. Whether Academic Calendar prepared during the year	Yes
if yes,whether it is uploaded in the institutional website: Weblink :	https://www.uluberiacollege.in/uploads/13academic_calendar_2019_20.pdf

5. Accrediation Details

Cycle	Grade	CGPA	Year of Accrediation	Validity	
				Period From	Period To
1	B++	00	2007	31-Mar-2007	31-Mar-2012
2	B	2.48	2014	20-Feb-2014	20-Feb-2019

6. Date of Establishment of IQAC	23-Jul-2007
---	-------------

7. Internal Quality Assurance System

Quality initiatives by IQAC during the year for promoting quality culture		
Item /Title of the quality initiative by IQAC	Date & Duration	Number of participants/ beneficiaries

Meetings of IQAC are held regularly. All total three meetings have been held in this academic year 2019-20	03-Mar-2020 2	25
Meetings of IQAC are held regularly. All total three meetings have been held in this academic year 2019-20	09-Dec-2019 1	12
Meetings of IQAC are held regularly. All total three meetings have been held in this academic year 2019-20	20-Aug-2019 1	11
IQAC submitted last AQAR to NAAC	22-Jan-2021 4	5
Feedback has been collected from Students which is analyzed by Authority for improvements	30-Aug-2019 2	6
Financial audit, both internal (by appointing external agency)and external (by Government agency) are conducted regularly.	02-Dec-2020 6	6

9. Whether composition of IQAC as per latest NAAC guidelines:

Yes

Upload latest notification of formation of IQAC

[View Link](#)

10. Number of IQAC meetings held during the year :

3

The minutes of IQAC meeting and compliances to the decisions have been uploaded on the institutional website	Yes
Upload the minutes of meeting and action taken report	View Uploaded File
11. Whether IQAC received funding from any of the funding agency to support its activities during the year?	No

12. Significant contributions made by IQAC during the current year(maximum five bullets)

1. In this session The Academic Subcommittee of IQAC arranged Sukriti Samman Programme for felicitating the Final year students for getting 1 st class in their university examinations. This year two of our Students, one from Department of Mathematics and another from Department of Physics made outstanding result by securing 1 st position in University Final Examination. To celebrate this glorious achievement IQAC decided to give them special prize besides the Medal and Certificate given to all other students securing 1 st class and accordingly two famous books on their specific subjects were given to them. 2. The Research subcommittee of IQAC decided to tie up with National Institute of Homeopathy to develop research facility in BOOST Laboratory and to bring new research projects. A MOU has been signed on 3rd October, 2019 to materialise this noble mission. 3. This year IQAC has arranged a presentation on a Programme on 'Human Trafficking Rape' 4. IQAC organized a Campus Awareness Programme on COVID19 on 2nd week of June, 2019

13. Plan of action chalked out by the IQAC in the beginning of the academic year towards Quality Enhancement and outcome achieved by the end of the academic year

Plan of Action	Achivements/Outcomes
vi. Starting orientation programme for new students on "How to use your institutional library."	vi. Library has successfully started such orientation programme from this academic session.
v. Starting extension building for Office and Library	v. Extension Building for Office and Library has been started.
iv. Introducing Motion-Sensor to save the misuse of electricity;	iv. Motion-Sensor System has been successfully introduced and we can now avoid the misuse of electricity.
iii. Introducing Bio-metric Attendance System for teachers	iii. Bio-Metric Attendance System for teachers have been partially achieved. It has been introduced in the B.Ed Section .
ii. Introducing RFID enabled student identity card;	ii. We have been successfully introduced RFID enabled identity Cards for the students.
i. Starting a cyber zone for the students for all kinds of online	i. This year we have been able to start a cyber zone for the students in our

activity	College campus. Students are now getting the facilities of online submission of projects, notes etc, online submission of Scholarship Forms, University Examination forms etc without much hazards.

Governing Body of the College.	19-Jun-2021				
15. Whether NAAC/or any other accredited body(s) visited IQAC or interacted with it to assess the functioning ?	Yes				
Date of Visit	05-Feb-2014				
16. Whether institutional data submitted to AISHE:	Yes				
Year of Submission	2019				
Date of Submission	15-Feb-2019				
17. Does the Institution have Management Information System ?	Yes				
If yes, give a brief description and a list of modules currently operational (maximum 500 words)	<p>1. Admission -Institute MIS admission modules helps in admission process of all UG and PG students of the institution. It includes all sorts of admission formalities like a) Online filling up of admission forms, b) writing all the academic and other information on the form and c) Collecting program wise all the necessary information related to admission process. It also helps in making merit list as per the institute norms (determined by the Mother University) and on the basis of this merit list students are admitted in the Institution. 2. Entrance Examination for Students -Institute conducts Online Entrance Examination PG students as per the module set by Calcutta University. Result is also published through online and on the Basis of the score of the examination as per merit the final</p>				

admission procedure is completed by the Institute. 3. Examinations -Through this module activities like collection and compilation of continuous Evaluation of internal and tutorial marks, end semester marks and submission of these to the University through University portal are conducted. Publication of the result is done by the University. 4. Attendance -Institute has an attendance module which helps in recording the attendance of all faculty members as well as nonteaching staff. Online recoding of student attendance is in the process. 5. Academic Activities -The information related to the students' roll numbers, their course details and other information regarding examination, other extracurricular activities etc are parts of MIS module. We send message to our students, faculties and other staff through SMS with the help of this module. This module also includes preparation and display of academic calendar and timetable. 6. Administrative activities -The day to day data related activities of the College office are conducted through this module. This module also helps in monthly salary payment of all employees of the institute. 7. Stores Management -This module helps in vendor registration, tender procedure and is used for procurement of consumables and equipments, the repair and maintenance of institute's infrastructure, receiving tenders, preparing comparative statements, preparing and placing orders and the necessary administrative approvals of the procurement. 8. Fees Payment -Through this module the students can pay their annual tuition fee, examination fees and other required fees. 9. Cash Transaction-Using MS module all sorts of cash transactions are made. 10. Accounts and Finance - Institutes accounts and finance can run all its functions efficiently by using accounts and finance modules. 11. Leave Management -Through this module all faculty members of the institute apply for different types of leaves and for the approval of the same. College office can keep record of the total number of leaves taken by the faculty throughout the year. 12. Feedback

system From previous academic year (2001819) we have introduced online feedback system. Feedbacks of students, guardians, alumni and teachers have been collected. 13. Learning Management System has been introduced in January 2019. Students can upload their notes or projects in LMS. Teachers can upload questionnaire, classnotes etc for the students.

Part B

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

At the end of each Academic Session Principal along with IQAC calls a meeting with the members of Academic Subcommittee. In the meeting Principal requests, the Head of each Department to make a planning regarding the implementation of the assigned curriculum of each course. The syllabus has been predetermined by the Mother University and our task is to carry out the implementation of the syllabus in a most effective way. The Heads of the Departments are requested to sit with the colleagues of their respective departments to distribute the syllabus among them. In their departmental meetings each Department determines the work load as well as the syllabus assigned to each faculty member and use to keep records of it. Principal also requests IQAC Coordinator to make a Routine and an Academic Calendar for the new Academic Session by involving the Departmental Heads. (In this Session we had to make Routine keeping in view the requirements of CBCS as well as the Three years Degree Course as we have to carry out both the Courses simultaneously for the next two years.) The Routine of each Academic Session is uploaded in college website at the beginning of the Session so that it is available to the Faculty Members and the Students well in advance. Academic Calendar of each year is also uploaded in the website. At the beginning of new classes Teachers use to communicate their Students regarding the Distribution of Syllabus to make the students aware of their Syllabus well ahead. It is our intention to make the students well aware of their syllabus as well as to be acquainted with the teachers who are assigned to teach different portions of the syllabus. A library class is also assigned for each class in the routine. In the Library class Library Staff use to orient the students regarding the usage of the library as well as the Open Access system of the library. Students find their necessary books lay in the library racks ready for them and as they are already aware of the syllabus, they can easily choose the books they needed. At the first day of the commencement of their classes the students of each department are informed that they have to participate in Quiz Contest or Debates related to the curriculum or relevant topics. They are also being informed that besides university assigned examinations they also have to give Surprise Tests and Class Tests on their assigned curriculum. In this way the Institute wants to implement its curriculum planning as earnestly as possible.

1.1.2 – Certificate/ Diploma Courses introduced during the academic year

Certificate	Diploma Courses	Dates of Introduction	Duration	Focus on employ ability/entrepreneurship	Skill Development

Office Automation Financial Accounting (6 Months)	Certificate Course	01/07/2019	2	focus on employability / entrepreneurship	Skill development
Modern Office Management (6 Months)	Certificate Course	01/07/2019	2	focus on employability / entrepreneurship	Skill development
Hardware (6 Months)	Certificate Course	01/07/2019	2	focus on employability / entrepreneurship	Skill development
NIELIT "O" and "A" Level	Diploma Courses	01/07/2019	2	focus on employability / entrepreneurship	Skill development
Graduate Diploma in computer application	Diploma Courses	01/07/2019	2	focus on employability / entrepreneurship	Skill development

1.2 – Academic Flexibility

1.2.1 – New programmes/courses introduced during the academic year

Programme/Course	Programme Specialization	Dates of Introduction
Nil	NIL	Nil
No file uploaded.		

1.2.2 – Programmes in which Choice Based Credit System (CBCS)/Elective course system implemented at the affiliated Colleges (if applicable) during the academic year.

Name of programmes adopting CBCS	Programme Specialization	Date of implementation of CBCS/Elective Course System
BA	Bengali, English, Sanskrit, History, Philosophy, Political Science, Economics, Education, Geography	01/07/2019
BSc	Mathematics, Physics, Chemistry, Botany, Zoology, Physiology, Computer Science & Micro-Biology.	01/07/2019
MA	Bengali	01/07/2019
MSc	Mathematics	01/07/2019
BCom	Accountancy, Economics, Computer Application	01/07/2019

1.2.3 – Students enrolled in Certificate/ Diploma Courses introduced during the year

	Certificate	Diploma Course
Number of Students	333	6

1.3 – Curriculum Enrichment

1.3.1 – Value-added courses imparting transferable and life skills offered during the year

Value Added Courses	Date of Introduction	Number of Students Enrolled
Karate	01/07/2019	27
View Uploaded File		

1.3.2 – Field Projects / Internships under taken during the year

Project/Programme Title	Programme Specialization	No. of students enrolled for Field Projects / Internships
BEd	Designing Games & Exercise for Developing Listening, Speaking, Reading & Writing skills	96
BEd	Practice Teaching Practical	36
BEd	Designing Rating scale, Questionnaire, Interview schedule on a given topic	50
BEd	Developing list of teaching activities for Children with Special Needs (CWSN) in Inclusive schools.	30
BEd	Case study on identifying the slow learners, low achievers & high achievers in class during Internship / Practice teaching	8
BEd	Project on English word formation	10
BEd	Developing Instructional (Teaching Learning) Material for English lesson delivery	10
BA	Know your Environment	991
BSc	Know your Environment	206
BCom	Know your Environment	22

1.4 – Feedback System

1.4.1 – Whether structured feedback received from all the stakeholders.

Students	Yes
Teachers	Yes
Employers	No
Alumni	Yes
Parents	Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution?

(maximum 500 words)

Feedback Obtained

Institute used to collect feedback from the final year students from 2006 onwards. But online feedback system has been introduced from the academic session 2018-19. In this academic year (2019-20) Feedback is collected from the students who give their feedback for all the theory and practical (if applicable) courses taught to them. The general assessment points of the feedback are based on question regarding syllabus, satisfaction concerning teaching methodology of each departmental teachers, their approachability and ability to teach, service of the college office and library, facilities available in the College campus etc. The College authority informs the teachers through the Academic Subcommittee regarding the feedback given by the students and they are being appreciated or warned accordingly. The teacher can assess her or his teaching ability and by utilizing this feedback from a positive point of view can work for the better interest of the student, and for the overall interest of the institution as a whole. Alumni Feedback is collected with a motto to make a continuous assessment of the total scenario of the College. We want to involve them in our journey towards an overall improvement and we need their precious and concerned opinion in this regard. We feel that an alumnus always has a soft corner for her or his own institution and we want to exploit this involved feeling for the betterment of the College. The feedback from teachers highlights evaluation parameters in the form of subject knowledge, attitude, motivation, creativity, presentation skills and ability to get along with others. From the analysis of their feedback the College authority gets a birds' eye view regarding the total academic and administrative activities of the College. We collect feedback from the parents in the Guardians' meeting organized by the Department. Their feedback helps the Institute immensely to reorient the administrative, academic as well as the general ambience of the College. It also helps us to know our students better and help them to overcome the hurdles of their lives. Especially we can assess the financial, academic as well as cultural background of our students. Ours is an Institute situated in a semi-rural Muslim dominated area. Most of our students are first generation learners. Girl students from minority section are increasing day by day and in parent -teacher meeting we are surprised to note that the mothers of these students, who are mostly educated in Three Rs only, use to come and request us to help their wards to fulfil their dream of acquiring higher education for getting service. We feel this feedback from the parents, especially from their mothers is really valuable for our goal and objective. Not only that, from their feedback we also come to know that most of our students have to earn something to carry out their studies and some of them also have to support their family with their meagre earning. This helps us to take special arrangement (to help them from Student Aid Fund, or wave their Fees) for such students.

CRITERION II – TEACHING- LEARNING AND EVALUATION

2.1 – Student Enrolment and Profile

2.1.1 – Demand Ratio during the year

Name of the Programme	Programme Specialization	Number of seats available	Number of Application received	Students Enrolled
BSc	Botany(H)	50	86	33
BSc	Chemistry(H)	68	130	43
BSc	Physics(H)	56	98	28
BSc	Mathematics(H)	50	110	33

BA	Pol Science(H)	65	140	64
BA	Philosophy(H)	65	135	56
BA	History(H)	195	416	178
BA	Sanskrit(H)	88	220	71
BA	English(H)	178	475	166
BA	Bengali (H)	220	820	204
No file uploaded.				

2.2 – Catering to Student Diversity

2.2.1 – Student - Full time teacher ratio (current year data)

Year	Number of students enrolled in the institution (UG)	Number of students enrolled in the institution (PG)	Number of fulltime teachers available in the institution teaching only UG courses	Number of fulltime teachers available in the institution teaching only PG courses	Number of teachers teaching both UG and PG courses
2019	3431	136	93	8	24

2.3 – Teaching - Learning Process

2.3.1 – Percentage of teachers using ICT for effective teaching with Learning Management Systems (LMS), E-learning resources etc. (current year data)

Number of Teachers on Roll	Number of teachers using ICT (LMS, e-Resources)	ICT Tools and resources available	Number of ICT enabled Classrooms	Number of smart classrooms	E-resources and techniques used
125	115	135	7	7	1
View File of ICT Tools and resources					
No file uploaded.					

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

Institute has a well- defined policy of mentoring newly admitted under graduate students. Students from various socio economical backgrounds, students from rural, semi-rural and urban regions use to take admission in this College. We feel that they need counselling and mentoring for being coped with the new system of studies and also with the new campus which is definitely different from the cosy environment of the School Campus. On the very first day of their entry into the College Campus Principal of the College use to address the newcomers giving them the basic information about the Institute, various courses conducted in the institute, relevance of these courses, career opportunity after completion of graduation etc. In the same session head of the departments also briefly introduce the students with their departmental teaching staff and inform them regarding their course work, laboratories (where it is applicable), curricular and extra-curricular activities, facilities and the opportunities of the institute which they can avail. Department also assigns to every teaching faculty the role of mentor to the newly admitted students. In this way each faculty is assigned with 8 to 10 students of the 1st year undergraduate throughout the entire year. The students meet mentors frequently and get their support in overcoming the emotional and other difficulties they face in the campus as well as outside the campus. The senior student representatives also perform the work of mentorship. The programs such as fresher's welcome, competitive cultural programme, sports etc are organized by the student's forum to acclimatize them with the institute's culture in general and environment in particular. Within a few days of their entering into the institute the students are being oriented by the Librarians and the Library Staff regarding the rules of Library usage, facilities given to them and the varieties of books available in the Library. In this session (2019-20) we have organized Orientation Programme for the Honours students from 10th July 2019- 12th July 2019. Here they are also being informed regarding the various career opportunities and career related seminars. In this year Library has also organized a Movie Show on 12th March, 2020 on Mountaineering to orient the students regarding tenacity and concentration most required for success in any field. Office Staff also play a vital role in mentoring

the students. They also inform the students regarding various Scholarships which they can avail. IQAC Coordinator and IQAC members also perform a lot of mentoring. Students are regularly being informed by IQAC regarding the facilities and opportunities provided to them by different existing cells of IQAC. IQAC sometimes arrange psychological mentoring programme by inviting eminent professional psychotherapists. This has been proved very fruitful for the students. NCC and NSS officers also play an important role in mentoring. They inform the students regarding campus discipline and orient them to take part in various social activities organized by the institute. Thus, the institute with its various mentoring process wants to inculcate among the students the spirit of becoming a true human being.

Number of students enrolled in the institution	Number of fulltime teachers	Mentor : Mentee Ratio
3567	125	1 : 29

2.4 – Teacher Profile and Quality

2.4.1 – Number of full time teachers appointed during the year

No. of sanctioned positions	No. of filled positions	Vacant positions	Positions filled during the current year	No. of faculty with Ph.D
63	52	11	8	28

2.4.2 – Honours and recognition received by teachers (received awards, recognition, fellowships at State, National, International level from Government, recognised bodies during the year)

Year of Award	Name of full time teachers receiving awards from state level, national level, international level	Designation	Name of the award, fellowship, received from Government or recognized bodies
2019	NIL	Nil	NIL
2020	NIL	Nil	NIL
No file uploaded.			

2.5 – Evaluation Process and Reforms

2.5.1 – Number of days from the date of semester-end/ year- end examination till the declaration of results during the year

Programme Name	Programme Code	Semester/ year	Last date of the last semester-end/ year-end examination	Date of declaration of results of semester-end/ year- end examination
BSc	MTMA, MTMG, PHSa, PHSG, CEMA, CEMG, BOTA, BOTG, ZOOA, ZOOG, PHYG, MCBG, CMSG	4th Semester	22/12/2020	08/02/2021

BCom	BCOA,BCOG	2nd, 4th, 6th Semester	21/12/2020	08/02/2021
View Uploaded File				

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

Continuous Internal Evaluation (CIE) system is part and parcel of the Institute's evaluation process. In our Academic subcommittee meeting it has been decided that we will evaluate our students continually through surprise tests, class tests, oral tests etc besides pre-final test. Last year CBCS has been introduced in all the modules and hence we have to run this system along with the old 3- year degree course. In CBCS Internal Evaluation is a necessary part of the programme and the marks obtained in Internal Evaluation is added to the marks obtained in the Final Examination. But besides this obligatory system, the faculty members arrange above mentioned tests in order to evaluate the academic progress of the students. We have noted that these tests help to develop a confidence among the students and also act as stepping stones for final preparation. But to our dismay we have found that some students have a tendency to avoid such class tests and these students generally fail to come out with flying colours in their final exam. In spite of our constant attempts, we cannot motivate all the students appear in these tests (excepting where there is compulsion) but we are trying our levels' best to orient them in this respect and hope that we will be successful in our endeavour.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

At the beginning of each Academic Session an Academic Calendar is prepared by IQAC for conducting different academic activities i.e. organizing internal examination, examining and scrutinizing College as well as University scripts, uploading of marks in University Portal and administrative activities like Admission, University Examination Form Fill-up etc. Generally regarding

Admission and University Examination, and Form Fill-up, IQAC follows the schedule of the Calcutta University as we have to abide by the rules and regulations of the Calcutta University under which our College is affiliated. But the time schedule of the other academic programmes is determined according to the convenience of the Institution and by keeping in mind the already assigned holidays and vacation as per calendar year. IQAC predetermines the time schedule of the internal examinations, tutorials and project keeping in mind the programme schedule of the Calcutta University. The programmes on extra-curricular activities are also fitted in this schedule. The tentative schedule of the extra-curricular activities is prepared by IQAC along with the conveners of different sub-committees and representatives of Student Organisation.

2.6 – Student Performance and Learning Outcomes

2.6.1 – Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

https://uluberiacollege.in/po_co.pdf

2.6.2 – Pass percentage of students

Programme Code	Programme Name	Programme Specialization	Number of students appeared in the final year examination	Number of students passed in final year examination	Pass Percentage
PHIA	BA	Philosophy (Hons)	33	30	91
BOTA	BSc	Botany (Hons)	10	10	100
PHSA	BSc	Physics (Hons)	18	16	89
CEMA	BSc	Chemistry (Hons)	21	18	86
MTMA	BSc	Mathematics (Hons)	26	26	100
BNGA	BA	Bengali (Hons)	132	126	95
ENGA	BA	English (Hons)	58	57	98
SANA	BA	Sanskrit (Hons)	48	47	98
HISA	BA	History (Hons)	120	117	97
ACCA	BCom	Accountancy (Hons)	8	6	75

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

Uluberia College has well defined policy for maintenance and utilization of all its physical academic and support facilities. Different subcommittees have been formed and endorsed by the Governing Body, the highest administrative authority of the Institution, to carry out the task of forming policies and determining rules and procedures. 1. Academic Support Academic subcommittee is mainly concerned with the academic matters and important academic decisions are taken in consultation with this committee. All the departments follow the

syllabus of our affiliating University. Every year an Examination Committee is formed to carry out the internal as well as External (University) examination process. 2. Maintenance of Library For the maintenance of library infrastructure and facilities the Library Subcommittee is held responsible. This includes purchase of books, procure of journals and periodicals, proper usage of library facilities including e-library facility (partial), access to e-journals (Institute subscribes only N-List) usage of computers in library etc. Library service is also provided to our ex-students who are pursuing higher studies. 3. Maintenance of Laboratory The laboratory equipment, specimens and other necessary chemicals are purchased by the office of the Principal as per the requisition of the departments. Equipment in all the laboratories is maintained through annual maintenance contracts. Day-to-day Maintenance of the laboratory equipment is primarily made by the Laboratory staff under the able guidance of the faculty members. 4. Maintenance of Computers and IT facilities Purchase Subcommittee decides to purchase IT equipment as per recommendation received from the departments and the office of the college. Maintenance of the computers is carried out by appointing external agencies who take care of installing software's, operating systems and other applications of all the computers of the institute. 5. Maintenance of Building and other Support facilities All classrooms, seminar halls, laboratories, Hostel, Boys' and Girls' Common Room, Students' Canteen and Gym etc are maintained under the supervision of Building and Infrastructure subcommittee. A caretaker-cum electrician of the institute always takes stock of the working capacity of the electrical gadgets as well as the furniture of the classrooms and laboratories and informs the members of the Building and Infrastructure subcommittee for taking necessary steps if needed. Institute has appointed an engineer for estimating the conditions of old buildings and repairing work 6. Maintenance of Sport facilities We have no Sports Complex in our Campus. Arrangements have been made for indoor games like Carrom and Table Tennis both in Girls' and Boys' Rest rooms. College authority has taken permission from Uluberia Municipality to use the Stadium Ground for the practice in athletics, football, cricket etc. The institute has introduced Karate since January 2013 and the students are provided with all sorts of facilities regarding Karate. In every academic session Principal and IQAC Coordinator along with the members of the subcommittees use to take account of the activities of the committees and to find out how far the policies have been carried out. In the meetings new policies, if necessary, are formed to meet the new challenges that emerge in course of time.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

There is a Student Council in the Institution and it actively participates in different activities of the College. The General Secretary, as a representative of Student Council, is a member of the Governing Body, the highest administrative body of the Institution. He is also a member of IQAC. He expresses his opinion in administrative activities whenever required and his opinion are accepted if found valuable. There are also student representatives in the academic committee, admission committee, cultural committee, sports and games committee etc. The Student Council takes active role in all the student related activities. It lends its helping hand to the students to sort out their problems regarding time-table, official works, canteen, cycle stand and so many tit bits of their every day college activities. The Student Council plays an important role in organizing sport and cultural activities. In every year the student representatives organize indoor and outdoor games and prize distribution ceremony in discussion with the faculty members who are in charge

of Sports games committee and cultural committee. They also take great interest in different social activities and organize Blood Donation Camp in every year.

To encourage the literary interest of the students the Student Council publishes student magazine with the help of the valuable suggestions from the teachers. The secular role of the Student Council is much evident in its endeavour to arrange the festivals like Saraswati Puja, Viswa- Navi Day etc.

The Teachers' Day Celebration is very beautifully organized by the Student Council in every year. The student representatives not only invite the faculty members but also the Office staff and felicitate them along with their teachers. This indeed is a very good gesture on their part and it creates a very good vibration among all the staff of the college. Most of our students are first generation learners and from poor families. The Student Council acts as a liaison between these students and the college office so that they can avail themselves of the opportunities provided to them by the college authority. The members of the Student Council always keep vigilance on the quality of the food of the student canteen. They also regularly supervise the condition of the students' common room, toilets, classrooms, laboratories etc. They use to keep a good relation with the students so that the students can share their problems with them. The role of the Student Council in our Institution is very positive.

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

No

5.4.2 – No. of enrolled Alumni:

0

5.4.3 – Alumni contribution during the year (in Rupees) :

0

5.4.4 – Meetings/activities organized by Alumni Association :

0

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The institution promotes the culture of decentralization and participative management at the strategic level, functional level and operational level. At the strategic level the Principal, Governing Body, IQAC and Teachers' Council are involved in framing policies and guidelines pertaining to major issues like admission, examination, support services, financial matters etc. At the functional level the faculty members, office staff and the students, who are members of different committee, sincerely perform their functions to carry out the policies successfully. And at the operational level, the Principal interacts with the Government and Private agencies to give shape to various projects undertaken for the overall development of the institution and the faculty members, staff and the student council join hands with him for the execution of different academic, administrative and extension related activities. In resonance with the above spirit of the institution last year the following two practices of decentralization and participative management has been performed. 1) In the academic year 2018-19 CBCS system has been introduced in our institution as per direction of the UGC and Calcutta University under

which our college has been affiliated. Just before the beginning of the academic session 2019-20, Principal called a meeting of academic subcommittee and declared that henceforth all the departments will have to take the responsibility of online verification of the applications of the candidates applying for taking admission in the respective departments of the institution.

The faculty members of the departments will be entrusted with all the activities related to admission. Principal will assign non-teaching staff for each department to help them in carrying out the admission process. The faculty members will also make arrangements and inform the office to send message to the students regarding their dates of admission. A Help Desk will be formed involving some faculty members of each department as well as some non-teaching members and student representatives. Throughout admission the members of the Help Desk will answer all possible queries of the students. This cooperative activity proves to be very helpful for the institution and this kind of strategic decision on the part of the management increases commitment and involvement of the staff of the institution. 2) Another important strategic decision was taken by the authority in this academic session. By involving IQAC, Principal has taken decision to entrust some extra responsibilities (besides their daily activity in the Library) to our Librarians. Sri Duranta Mistri has been requested to continue his task as the Coordinator of RUSA and to look after all the liabilities related to RUSA. Besides, he has been entrusted with the task of looking after the fixation process of all the teaching staff who come to join the institution being appointed by the Government. Another librarian Sm. Tanushree Rakshit, has been entrusted with the task of editing and supervising our college website along with Shirsendu Das, faculty member of Physics Department. Management thinks this sort of responsibility will increase a better liaison with the Librarians and faculty members.

6.1.2 – Does the institution have a Management Information System (MIS)?

Yes

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Admission of Students	Both for UG and PG students are being admitted through on-line admissions process strictly on the basis of merit by following the rules and regulations laid down by the Government and Calcutta University. In PG an admission test has been arranged in the College where the controlling authority is the Mother University. The Admission Committee (composed by two or three faculty members, two non-teaching staff, one student representative), formed by the Institute, conducts the admission process. In each academic session new Admission Committee is formed.
Industry Interaction / Collaboration	The Career Counselling Placement Cell as well as the Research Cell of the Institute has established industry interaction and collaboration which helps in promoting activity, training,

projects and collaborative research culture between industries and institution. Reputed companies like TATA Strive, Med Skills have willingly collaborated with the College and have started to offer different short- term job- oriented courses. The S.N Bose Institute, a famous Research Institute of Kolkata has already collaborated with us to organize different collaborativeresearch programmes, seminars and faculty exchange programme.

Human Resource Management

Institute has established well defined administrative section and academic section to look after the needs of the employees and students as well. The Institute maintains all service records of the employees and keeps up-to-date records of their leaves and Provident Funds. The Governing Body of the Institute has set up different Committee to address the complaints raised by the stakeholders. These committees include Academic Committee, Examination Committee, Grievance Redressal Committee, Cultural Committee, Sports Games Committee etc to serve the interest of the students. The Officer-in-charge of the Student Body is entrusted with the task dealing with the students' affairs and solving their day- to- day problems. Institute has appointed a doctor and to provide medical attention to faculty and students whenever required. In the case of medical emergency every employee and students gets suitable non-refundable financial help for their treatment in Government hospital.

Library, ICT and Physical Infrastructure / Instrumentation

We have a well-equipped open-access library which is run by two Full time Librarians and five non-teaching staff. The Library is partly digitalised. The faculty members as well as the students can have access to the library from their home also. Our College has 7 ICT facilitated classrooms and one Seminar room. The Laboratories in all Science Departments and B.Ed Departments are well- equipped with modern and student friendly instruments. Physical infrastructure of our College is quite good and to serve the needs of the students in a better way we are developing our infrastructure.

Research and Development

Ours is an Undergraduate Institution

hence we have no scope to involve our students in research work. But the faculty members try their level's best to inculcate research aptitude among the students. The faculty members themselves involve in various research works in their specialized fields. We have an Institutional Peer Reviewed Journal which has been published by us since 2005 and faculty members are encouraged to contribute papers in this journal. To cap it all, a Research centre has been established in our College involving Five Science Departments and a reputable Research Institute of Calcutta is attached with us.

Examination and Evaluation

Examination and Evaluation: Our College is affiliated under Calcutta University hence we cannot conduct the Final Examinations. But as our institution has to act as the Centre for such examinations, we have to arrange all the formalities of the examinations as per schedule determined by the University. We have an Examination Committee and the members of this Committee take all the responsibilities to organize the examinations. Most of the faculty members are involved in the evaluating process of the examination scripts. Some faculty members are also entrusted by the University with the task of paper setting, moderation, reviewing etc. All Internal examinations are conducted by the College.

Teaching and Learning

Teaching and Learning: Under the leadership of IQAC the Academic subcommittee keeps constant vigilance on the total teaching learning process. In order to ensure the proper utilization of the man power, spatio-temporal scenario, technical accessories etc faculties of different departments are entrusted with certain academic responsibilities which they try their best to carry out. The teaching process is generally carried on through traditional chalk and talk method. But we have seven Smart Classes where audio visual facilities are available and teachers sometimes use to teach by using these facilities. Remedial coaching classes are arranged for the slow learners.

Curriculum Development

Institute has no right to develop the

curriculum for its UG and PG programmes. Our Mother University, Calcutta University develops curriculum after every four years. In this academic session CBCS has been introduced in all the UG and PG courses hence Calcutta University has developed a new syllabus as per requirement of the newly introduced courses. For this purpose the workshops were arranged by the University on different subjects and the faculty members of each subject of our College attended the workshops to contribute their valuable opinion regarding syllabus. Some of their suggestions have been accepted by the University and in this way our Institute had a role in the development of the syllabus.

6.2.2 – Implementation of e-governance in areas of operations:

E-governance area	Details
Administration	Administrative MIS modules of the institute helps in keeping service records of all the employees maintaining service books, promotion records, leave records and the records of their provident fund.
Finance and Accounts	Functions of the finance and accounts are precisely defined and are strictly followed with proper accounting practices making record of each financial transactions using e-governance mechanism. This helps keeping records of receipt of funds, projects, donations, staff salary and all types of purchases and payment of various utility bills and taxes.
Student Admission and Support	Students who want to take admission in UG and PG course of the institute are required to apply through online on institute's MIS by registering themselves. The data collected through this process is further used for making merit list and admission list of the eligible candidates and for online payment of the necessary fees.
Examination	MIS of the institute has well defined modules for collecting the data related to marks obtained by the students in their internal examinations and tutorials. This system also helps us to upload these marks in the University portal. The Faculty members, who act as Examiners, Scrutinizers or Reviewers of the University Examinations, upload

	marks in the University portal through the Institutional MIS.
Planning and Development	At the beginning of each academic session, with a view to materialize their planning and development projects College authority starts e-tendering through Government Portal and all notices concerning e- tendering are uploaded in the institutional website.

6.3 – Faculty Empowerment Strategies

6.3.1 – Teachers provided with financial support to attend conferences / workshops and towards membership fee of professional bodies during the year

Year	Name of Teacher	Name of conference/ workshop attended for which financial support provided	Name of the professional body for which membership fee is provided	Amount of support
Nil	NIL	NIL	NIL	Nil
No file uploaded.				

6.3.2 – Number of professional development / administrative training programmes organized by the College for teaching and non teaching staff during the year

Year	Title of the professional development programme organised for teaching staff	Title of the administrative training programme organised for non-teaching staff	From date	To Date	Number of participants (Teaching staff)	Number of participants (non-teaching staff)
Nil	NIL	NIL	Nil	Nil	Nil	Nil
No file uploaded.						

6.3.3 – No. of teachers attending professional development programmes, viz., Orientation Programme, Refresher Course, Short Term Course, Faculty Development Programmes during the year

Title of the professional development programme	Number of teachers who attended	From Date	To date	Duration
Orientation Program	1	03/02/2020	24/02/2020	6
Orientation Program	1	08/07/2019	27/07/2019	6
Refresher Course	1	27/08/2019	09/09/2019	6
View File				

6.3.4 – Faculty and Staff recruitment (no. for permanent recruitment):

Teaching		Non-teaching	
Permanent	Full Time	Permanent	Full Time
8	8	0	0

6.3.5 – Welfare schemes for

Teaching	Non-teaching	Students
NIL	NIL	NIL

6.4 – Financial Management and Resource Mobilization

6.4.1 – Institution conducts internal and external financial audits regularly (with in 100 words each)

Institute has accounts and finance department headed by Accountant, Head Clerk and Bursar. This administrative department controls the data related to all financial and money transactions of the institute. Institute has a finance committee formed by the Governing Body of the College and this committee takes decision regarding Financial allocation for day to day activities and yearly financial requirement for running smoothly all academic and administrative departments of the Institute. The Accountants under the supervision of Bursar have to prepare yearly audited statements and Income expenditures statements for each financial year as a mandatory part their administrative activity. The Institute first completes Internal Audit by appointing an efficient Auditor and then completes External Audit by the Government appointed Auditors.

6.4.2 – Funds / Grants received from management, non-government bodies, individuals, philanthropies during the year(not covered in Criterion III)

Name of the non government funding agencies /individuals	Funds/ Grnats received in Rs.	Purpose
NIL	0	NIL
No file uploaded.		

6.4.3 – Total corpus fund generated

0

6.5 – Internal Quality Assurance System

6.5.1 – Whether Academic and Administrative Audit (AAA) has been done?

Audit Type	External		Internal	
	Yes/No	Agency	Yes/No	Authority
Academic	No	NIL	Yes	G.B
Administrative	Yes	W.B. Govt.	Yes	G.B

6.5.2 – Activities and support from the Parent – Teacher Association (at least three)

We have not yet any formal Parent - Teacher Association, but we get all sorts of support from the guardians. a) The Institute regularly arranges Guardians' meeting and the guardians use to be present in the meeting to exchange their valuable opinions with the faculty members regarding institute's administrative and academic activities, infrastructure and facilities as well as other support systems provided to the students. b) Whenever we invite the guardians in any of the college programme they come and share their experiences with us. c) But for their support it would not be possible for us to organize Saraswati Puja and observe Vswa- Nabi Divas with same zeal and enthusiasm in a Institution like ours where the number of minority students is quite large.

6.5.3 – Development programmes for support staff (at least three)

This year no such programme has been organized.

6.5.4 – Post Accreditation initiative(s) (mention at least three)

After the 2nd circle of accreditation in 2014, we took many initiatives for betterment. Three such initiatives are written below. a) We have started online

transaction of all sorts of cash related issues. b) Student Help Desk has been started to answer all sorts of queries during admission. c) We have installed a Sanitary Napkin Dispenser in the Girls' common room.

6.5.5 – Internal Quality Assurance System Details

a) Submission of Data for AISHE portal	Yes
b) Participation in NIRF	No
c) ISO certification	No
d) NBA or any other quality audit	No

6.5.6 – Number of Quality Initiatives undertaken during the year

Year	Name of quality initiative by IQAC	Date of conducting IQAC	Duration From	Duration To	Number of participants
2020	One Day International Seminar Organized by Bengali Department with IQAC of Uluberia College in collaboration with Jogamaya devi college	28/02/2020	28/02/2020	28/02/2020	150
2020	One Day national Seminar Organized by Chemistry Department with IQAC of Uluberia College	02/03/2020	02/03/2020	02/03/2020	80
2020	One Day State Level Seminar Organized by Department of Physics with IQAC of Uluberia College Sponsored by Department of Science Technology and Biotechnology Government of West Bengal	14/03/2020	14/03/2020	14/03/2020	112

CRITERION VII – INSTITUTIONAL VALUES AND BEST PRACTICES**7.1 – Institutional Values and Social Responsibilities**

7.1.1 – Gender Equity (Number of gender equity promotion programmes organized by the institution during the year)

Title of the programme	Period from	Period To	Number of Participants	
			Female	Male
Seminar on women empowerment focussing on the Lives of Shri Sarada Devi and Sister Nivedita	08/03/2020	08/03/2020	92	15

7.1.2 – Environmental Consciousness and Sustainability/Alternate Energy initiatives such as:

Percentage of power requirement of the University met by the renewable energy sources

Introduced solar panel (1/4th of the total power consumption can be met throughout the year), introduced LED lights and green generator.

7.1.3 – Differently abled (Divyangjan) friendliness

Item facilities	Yes/No	Number of beneficiaries
Physical facilities	No	0
Provision for lift	No	0
Ramp/Rails	No	0
Braille Software/facilities	No	0
Rest Rooms	No	0
Scribes for examination	Yes	1
Special skill development for differently abled students	No	0
Any other similar facility	No	0

7.1.4 – Inclusion and Situatedness

Year	Number of initiatives to address locational advantages and disadvantages	Number of initiatives taken to engage with and contribute to local community	Date	Duration	Name of initiative	Issues addressed	Number of participating students and staff
2019	Nil	Nil	01/08/2019	00	Nil	Nil	Nil

No file uploaded.

7.1.5 – Human Values and Professional Ethics Code of conduct (handbooks) for various stakeholders

Title	Date of publication	Follow up(max 100 words)
W.B. Govt. Service Rule	01/08/2019	Teaching Non-teaching staff: Ours is not an autonomous Institution, hence we cannot publish any handbook of code of conducts for the staff. We have to abide by the service rules laid down by Government of West Bengal.
College Prospectus: Page Nos 40 42	01/09/2019	Students: Good conduct in and out of the College premises is expected from every student. By no means students should show disrespect to any member of the College staff or be rude to their fellow students. Making noises or smoking in the College premises, impersonation at roll call, entering or leaving the classroom without the permission of the teacher, loitering on the corridor, damaging the College property, talking in the Library reading room and any disorderly conduct causing disturbing to the smooth working of the College will be regarded as serious break of discipline. Loitering in the College premises during working hours shall be strictly dealt with. The decision of the Principal on and similar matters shall be final and binding to all concerned. According to the UGC Regulations declared on April, 2009, ragging in Higher Educational Institution is strictly prohibited and totally banned and anyone found guilty of ragging is liable to be punished even to the extent of rustication from the Institution.

7.1.6 – Activities conducted for promotion of universal Values and Ethics

Activity	Duration From	Duration To	Number of participants
Observed Birthdays of the great men for promoting moral values, sense of duties and responsibilities.	01/07/2019	14/03/2020	150
Observed Saraswati Puja and Viswa Nabi Divas for promoting the spirit of secularism.	29/01/2020	30/01/2020	1600
Observed Republic Day for cultivating the spirit of Nationalism.	26/01/2020	26/01/2020	50

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

1. Installation of PV Panels for harnessing solar energy.
2. Installation of Green Generator.
3. Made the official works as paperless as possible.
4. Plantation roof gardening
5. Introduced Rain water harvesting.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Two best practices successfully implemented by the institution are as follows:

1. A) Title of the practice: Inculcation of the spirit of togetherness and an anti-ragging atmosphere B) Objective of the practice: Ragging is a social evil which destroys valuable lives of many of our youths. We have witnessed this tragedy in many of our renowned institutions. Because of this reason our main objective is to make our campus a ragging-free campus. C) Context: The motto of NAAC is to make the learning process student-centric. Keeping this motto in mind we try our best to create a student friendly ambience in our institution. The students can approach the faculty members, library and office staffs, as well as the Principal whenever needed. Personal counselling and mentoring are done on a regular basis. Most of our students are first generation learners and the atmosphere of a higher educational institution may seem to be alien to them. It is the responsibility of the institution to help them being accustomed with this atmosphere so that they can feel themselves to be a part and parcel of the institution. All these efforts are done with the sole objective to alleviate ragging completely from our campus. D) Practice: Each year on the very first day when new batch of students come to the College Principal gives them a warm reception by his welcome address. The faculty members use to meet the students of their departments on the same day and give them a preliminary introduction on the departmental activities and exchange friendly words with them with a motto to make them feel at home with the new atmosphere. They also introduce the newcomers with the senior students of the department. This personal interaction which begins at the very first day becomes stronger day by day. The members of the Student Council also help the students in every respect. The functions like Fresher's welcome, Teachers' Day celebration, Saraswati Puja, observation of Viswa-Nabi Divas etc. help to develop the spirit

of togetherness. E) Evidence of Success: This student friendly ambience creates a positive impact on the achievement of quality education, strong bond of oneness among the stakeholders and a ragging free campus. It is really our pride that we do not get any complaint regarding any sort of ragging or eve-teasing in our campus. 2. A) Title of the practice: Introduction of Online Competitive Examination Portal B) Objective of the practice: Our first and foremost motto is to cater the interest of the students as far as it is possible. To materialise this purpose, we have introduced Online Competitive Examination portal to provide the students ample opportunities for Entry in Service. C) Context: Our Institution is not a technical institution. Students use to come here for learning in General Stream like Humanities, Science and Commerce. After graduation some of the students opt for higher studies and pursue academic career. But most of the students, after completion of their graduation, seek job to support their family and this is much truer for the students who come from families who cannot afford the expenses of higher education. Even most of the students cannot afford to meet the expenses of buying guide books for competitive examinations or of taking admission in different training centres for guidance. Keeping this scenario in our mind we have introduced this portal since last three years to help the students in their entry in service. D) Practice: In our portal total Forty- Eight Thousand (48,000) questions/problems with solutions have been uploaded. The students do not have the need to consult any guide book or coaching centre and they can thus get the proper guidance to crack the competitive examinations without any financial investment. The portal is very much user friendly. Students can log in by using their student-id and date of birth. Students are encouraged to use this portal and our Student Council plays a very significant role in motivating the students to use this portal for their benefit. E) Evidence of Success: This practice proves to be much successful for the students of our institution. The uploaded questions and their solutions in the portal have given them the opportunity to be acquainted with variety of possible problems they have to work out in their examinations and this definitely help them to gain some sort of self -confidence. This practice also helps them to crack the competitive examinations successfully and get desired jobs.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

https://uluberiacollege.in/site/best_practices

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Each institution has its own distinctive vision, priority and thrust. Our College is situated in a semi-urban area and most of our students come from the family of first- generation learners. Their financial and cultural background is not very sound. We often find that because of acute financial crisis quite a good number of students fail to attend their classes regularly and sometimes they drop out. In the backdrop of this experience, we have felt that our first and foremost task should be to focus on this point and to find out a solution to this problem. We think we have a responsibility to encourage and help them both academically and financially. Hence College authority has formed a Student Aid Fund and every year College spends quite a lot of money from this fund to help the financially backward students by providing their University Examination fees or College fees at concessional rate. Students have to apply for financial help and they are interviewed by the faculty members, who, by considering the pros and cons of the financial condition of the students, forward the applications to the College authority for final decision. Student union also plays a positive role in identifying the financially backward

students. Another problem which bothers us is that sometimes the guardians do not understand the importance of regular attendance of their wards and insist them to remain at home on the plea of some paltry reasons. We often have to counsel the guardians regarding the necessity of regular attendance in an educational institution. So, we have to fight not only against financial crisis but cultural crisis as well. We try our best to motivate the students academically and to do so we regularly counsel them. Since last twelve years we have been felicitating our students for their academic excellence in the final year University Examinations. Not only that, we help our students, who go for higher studies, by providing them opportunity to use our library and thus encourage them in their academic endeavour. We also feel that encouraging the students in their academic achievements is not enough, we should motivate them in cultural and social activities as well. With this motto in mind in this academic year College authority has taken a decision to give 50% concession in the fees of those students who will show their excellence in sports and games and in cultural field. The authority has also decided to do the same thing for the students who take part in social activities - it has been decided that students, who will donate blood in the Blood Donation Camp organized by our Student Council, will get 50% concession in their College fees. Institution hopes that this sort of initiative will help to generate a healthy spirit among the students and also inculcate a sense of social responsibility in them.

8.Future Plans of Actions for Next Academic Year

We have the following plans for the next academic year 2019-20 Session: 1. Introducing proper Sanitization in the College Campus. In the end of March, 2019 the College authority was bound to close the campus due to worldwide outbreak of pandemic, Covid-19. In this context management has taken decision to introduce a proper sanitization system in the campus to combat the pandemic. We have a plan to create a sanitization zone at the entrance of the campus so that everybody can sanitize themselves properly while entering the campus. 2. Organizing Online Webinar on Academic Issues, Online Workshops for Professional Enrichment and online Orientation Programme for Students. Due to pandemic, we will not be able to arrange academic seminars in our campus. Hence, we plan to organize online webinar on different interesting academic issues for the benefit of our students and faculty members. In this regard, we have also a plan to tie up with prestigious institutions for organizing such seminars. We have also a plan to organize some workshops in collaboration with other institutions for professional development both for the teaching and non-teaching faculty. We would also like to organize online job orientation programme for the benefit of the students. 3. Establishing two more Laboratories in the Extension Building We have already started an extension Building and we have a plan to establish two more well-equipped laboratories for the Zoology as well as Physiology Department. Our Zoology department has two laboratories, but they need one more laboratory for carrying out practical classes. We have a plan to introduce Honours Course in physiology department keeping in view the long-time demand of the students. Hence, hence we need a laboratory for Physiology Department also. 4. Creating more space for Library Reading Room: The space for reading room in our library is not sufficient. Hence, we have a plan to extend the space for accommodating more students in the library. The extension building which is attached to the Administrative Building will make room for this required space. 5. Creating User Friendly Portal exclusively for our college. We have a plan to create a unique Portal of Uluberia College for handling all sorts academic issues like online creating/viewing class routine, student attendance, taking online class, checking class history, online examination, using college LMS and college You Tube etc. All the faculty members and the students will be benefited from such portal. We

are looking forward to make this portal much user friendly.
